## THE HISTORY OF

**MORKES CHOCOLATES** has been making premium, hand dipped, new and old-fashioned chocolates for almost 90 years. From our 1920 beginning on the near southwest side of Chicago, until today, Morkes Chocolates has stood for quality products at a fair price. We use only high quality, natural chocolate blended from the cocoa beans of the Ivory Coast, Brazil and Ghana, and we strive for all natural ingredients in all our candy centers.

Our attention to detail and small batch production ensures freshness and superior quality. We are small enough to give you personal attention and large enough to fulfill your every chocolate wish. As a full line chocolate confectionier, we can custom make any chocolate creation you can imagine. Family-owned and operated for three generations, Morkes Chocolates has become a leader in the art of creating hand-made gourmet chocolate confections.
